Just FYI – I'm not putting these in the RA report and did not do the motions that we filed either since Neil once told me that they only want issued orders from the court.

Hi all,

I've attached the other briefs that CRW and PADEP filed yesterday. They both add some interesting points in addition to the timeliness argument that we focused on. The City filed a short concurrence with all three briefs; it's attached in case you're interested.

As we discussed on Monday, I am cleaning up the CD redline and will share with PADEP this afternoon. I will also invite PADEP to our team call on Monday, 6/7, at 2pm.

Thanks, and have a wonderful weekend,
Devon
